

Call for Proposals from Artists and Graphic Designers

Main Street Macon and NewTown Macon are calling artists and graphic designers to submit proposals for a public art project made possible by the Downtown Challenge, a project of the Community Foundation of Central Georgia.

Two artists will be selected to produce two images that will be enlarged on a **40 Feet by 40 Feet Vinyl Panel** and installed on the exterior walls of a public parking deck facing Mulberry Street Lane and Martin Luther King Jr Boulevard. These images should display uplifting and positive imagery for the citizens of Macon, Georgia and our visitors.

All applications will be reviewed by the Macon-Bibb County Public Art Commission that represents a cross section of government officials and art professionals from Macon including administrators, educators, and artists.
